- Word families ending in (op/ox/og/ot)
- Comprehension skill: Noting key details in a text
- 10 new sight words
  - But, not, all, what, were, we, when, your, can, said

### Math

- Continuing Math stations- finding missing parts in equations and number bonds
  - Number of the day, fact practice, iPad apps, math games, fluency practice

### Writing

- Editing our small moment personal narrative stories
- Read a partner's writing and help them fix it

### Social Studies

- Community helpers
  - Who are they?
  - How do they help?

## Musical Moments

Musical Moments will begin this Wednesday, September 21st. This is a program that some of you may remember from kindergarten. This wonderful program, funded by SPARK, helps support our students character building through music and social-emotional curriculum.

Please see the link below to get more about Joni DeGabriele and her Musical Moments program.
